

Windwalker

1993 Hanoverian Mare

Description: Windwalker has produced several competitive dressage horses, & her first foal, Montivedeo, is currently competing 4th level dressage. Windwalker's daughter, Rivendale, has recently entered Teradan's breeding program, producing a wonderful colt by Harvard this year, and thus continuing her quality bloodlines. Windwalker has famous bloodlines, solid confirmation and wonderful temperament, making her great for the beginning breeder or as an addition to an already established breeding farm.

Pedigree:

Wenzel I

Leading dressage stallion of 1997, 1998. Stood at the State Stud Celle. Offspring include the highest priced auction horses at Verden, several German national Champions and 24 approved stallions
